PARTNERSHIP OPPORTUNITIES

ABOUT PENRITH BROTHERS JUNIOR RUGBY LEAGUE CLUB

Brothers Junior Rugby League Club is a non-denominational Club, with players registering from throughout the local area and community, coming from a wide variety of backgrounds.

The Brothers Club is not only large, but it is also very competitive in all age divisions; with sides entered in First Division in every age group from 2021 onwards. However, the Club has not lost sight that in junior sport, all ability levels need to be catered for, and it is part of our stated philosophy that one of the Club's main aims is for its juniors, both male and female, to enjoy their sport – at the level at which they participate.

Brothers in 2014 also initiated a program for players with disabilities known as Try Time, growing from a small number of participants of 7 to well over 40 registered participants today.

Over the years the Club has developed many fine players & coaches with some achieving high representative honours. An extensive list which includes players like Greg Alexander, Brad Fittler, Mark Carroll and Luke Rooney as well as most notably of recent times, Australian Kangaroos, NSW Blues & premiership winning halfback, Nathan Cleary; as well as credible coaches including NSW State of Origin coach Phil Gould, Tim Sheens and John Cartwright.

In more recent times, Brothers have become a powerhouse within the Penrith district becoming the second largest club in participants & the biggest in the suburb of Penrith in itself. As of 2022, the club have relocated to Parker Street Reserve Ovals in Penrith where new facilities are being built comprising of 4 International Fields. All fields will benefit from the building of a new State of the Art Amenities Building meeting current guideline for Community Sport and NSWRL Major Competitions expected to be ready late 2022/early 2023. Additionally, the Brothers flagship team playing in the NSWRL Sydney Shield competition qualified for their first ever Grand Final.
